Sponsorship of Maine International Trade Day provides unique exposure to thousands of internationally active business professionals from throughout Maine, New England, and Eastern Canada.

Maine International Trade Day is the state's premier international-focused business event of the year with more than 250 leading professionals from Maine, New England, and Canada gathered to discuss new developments and experiences, current challenges, and future opportunities in international trade.

The 32nd Annual Maine International Trade Day features:

- * The State of Trade in Maine
- * "Maine's Global Innovation" morning panel session
- * Business Networking Reception
- * International Trade and Investment Awards Luncheon, presenting the 2012 awards to Exporter of the Year, Service Provider of the Year, International Innovator of the Year, International Investor of the Year, President's Award, and Future Global Leader Award.
- * "Foreign Direct Investment - EB5" and "Innovation Engineering" afternoon sessions
