

# CAMX – The Composites and Advanced Materials Expo

September 12-14, 2017 | Orlando, FL

**Showcase your company at North America's largest composites event!**

Join MITC as we feature Maine's innovative and diverse composites and advanced materials sector at the CAMX show. The show will bring together companies from across the globe in the aerospace, defense, marine, medical, and transportation industries. As a member of the State of Maine delegation, you can take advantage of full access to the Maine double exhibit space and CAMX receptions. With over 550 exhibitors and 8,000 attendees from more than 50 countries, this is one show that you can't afford to miss.

**Thanks to an SBA grant, Maine International Trade Center has STEP Financial Assistance Awards available to offer eligible companies a reduced participation fee.**

**General Fee:** \$3,000  
**Fee for SBA-Eligible Exporters:** \$500 (General Fee - \$2,500 SBA STEP reimbursement)

Fee is for one representative per company. There is a \$100 cost for each additional person.

**Fee includes:** CAMX exhibitor badges, listing in show catalog, use of Maine exhibit space, delegation dinner, and MITC coordination

**Fee does NOT include:** Transportation, hotel, or meals

**Business matchmaking is available for an additional fee.**
