

JEC World International Composites Event

March 6 - 8, 2018 | Paris, France

Showcase your company at the world's largest composites event!

Join MITC as we feature Maine's innovative and diverse composites and advanced materials industries in the U.S. Pavilion at the JEC World International Composites Event. The show will bring together companies from across the globe in the transportation, marine, defense, and aerospace industries.

As a member of the State of Maine delegation, you can:

- take advantage of full access to the U.S. Commercial Service business center's amenities (refreshments, conference rooms, and storage facilities)
- register and schedule meetings in advance through JEC's online B2B matchmaking service
- exhibit your product in the centrally located Maine double booth

Thanks to an SBA grant, Maine International Trade Center has STEP Financial Assistance Awards available, offering eligible companies a reduced participation fee.

General Fee: \$5,000

Fee for SBA-Eligible Exporters: \$1,500 (General Fee less \$3,500 STEP reimbursement)

Fee is for one representative per company. There is a \$100 cost for each additional person.

Fee includes: JEC exhibitor badges, JEC matchmaking, listing in show catalogue, VIP Club access, media relations support service, use of Maine exhibit and U.S. Pavilion amenities, delegation dinner, and MITC coordination.

Fee does NOT include: Airfare, hotel, meals, and in-country transportation.

For more information, please contact Tom Conley at conley@mitc.com/207-553-7708 or Maria McIntyre at mcintyre@mitc.com/207-553-7719.

Registration Deadline: January 12, 2018
