Entry Guidelines

The New Product Global Showcase is open to all Maine companies and industries. To be eligible, the product or service:

- was launched within the past two years (May 2017 - May 2019)
- must have commercial viability and currently be in the market
- will be evaluated on international market appeal as well as innovation

This is a juried process, and participation is limited. Companies selected for the showcase will be notified by April 16, 2019. Trade Day attendees will cast their votes and select the "Best in Show" winner.

Deadline for entries is April 5, 2019.
