

Sponsorship Opportunities

Whether you're passionate about the future of Maine's workforce or quality trade education, want to be recognized at our largest annual event, or support expanded trade assistance for Maine businesses, there's a sponsorship opportunity for you at a level that fits your budget.

Global U practical skills training

logistics | finance | legal | marketing

Our three-tiered trade education series provides practical skills training and valuable takeaways for businesses at any level of international sales experience.

Global Workforce Development

Maine's success depends on a global workforce. We're doing our part to attract and keep talented workers here through our StudyMaine initiative, Future Global Leaders internship program, and Young Global Professionals network.

MAINE INTERNATIONAL TRADE DAY

On May 14 & 15, we will present Trade Day 2020 – Northern New England's largest event focused on accessing global markets and opportunities. Trade Day 2020 includes two networking events and our annual awards luncheon.
