- Personnel Involved/Concerned With International Shipments

Thursday, October 21, 2021 | 10:00am - 12:00pm | Live Webinar

Did You Know?

As an exporter, you are responsible for export compliance regardless of who pays for the freight.

Penalties may include loss of export privileges, fines up to \$250,000, and even jail time.

Key Takeaways

- 11-point checklist guiding you to full compliance on every export
- 8 lists that must be checked on all exports
- 5 questions that you are required to know about your customer in every export transaction

Featured Presenter:

Mike Allocca of Allocca Enterprises, a full-service export and import compliance training company, is a Certified Global Business Professional (CGBP) through NASBITE and winner of the prestigious President's E Award for excellent in export development training. He founded Allocca Enterprises in 2006 and works with exporters and importers daily all over the United States.
