

Do you have questions about tax laws for doing business in Canada? We'll help you get the right answers at no cost.

MITC is offering free one-hour consultation services for SBA-eligible Maine companies through our partnership with one of Canada's leading accounting and tax firms, Welch LLP in Ottawa.

Welch LLP[®]
Audit • Tax • Accounting • Advisory

The tax systems and legislative requirements for foreign-based vendors in Canada can be frustrating and complex. Whether you are looking at early-stage entry or a large-scale expansion to Canada, Welch LLP has expertise on GST/HST, Business Registration Numbers, Non-Resident Importer Program, and business operations in Canada.

Canada represents Maine's largest trading partner and the top US export market. With their geographic proximity, open market economy, stable business climate, and familiar business practices, Canada plays a crucial role in U.S. trade development. Each day, \$1.9 billion in goods and services cross the border, and over 400,000 people cross the border daily.
