

MITC Sponsorship Opportunity

Future Global Leaders

A 25-year tradition at Maine International Trade Center (MITC), **Future Global Leaders** is a paid internship program open to graduate/undergraduate students and young professionals. Each year, MITC employs 9 -14 interns from Maine, the US, and international academic institutions.

Sponsorship of the Future Global Leaders program offers a unique opportunity for your business to gain recognition as an organization committed to investing in the next generation of global business leaders, while directly supporting the growth of Maine companies.
