

Best of New England @ MEDICA 2023

November 13 - 16, 2023
Düsseldorf, Germany

The whole world of medicine meets here.

Join us.

For more than 40 years, the largest medical trade fair in the world has been firmly established on every expert's calendar.

With over 4,500 exhibitors from 66 countries and more than 81,000 visitors from all over the world, MEDICA is one of the largest international medical B2B trade fairs. A wide range of innovative products and services from the fields of diagnostics, laboratory technology, health IT, mobile health, medical imaging, physiotherapy/orthopedic technology, and medical consumables are presented at the show.

In addition, MEDICA features a number of first class forums, conferences, and networking events providing ample opportunities to network and learn about the latest innovations in the industry.
