MAINE'S EXPORTING FUTURE HEATS UP WITH COLD-STORAGE

Prospects for a major expansion of Maine's role in the business of refrigerated cargo exports will improve dramatically with the completion of the Maine International Cold Storage Facility, now under construction on the Portland waterfront. Join us for a lively discussion on the outlook for Maine exports and enhancements to Maine seaports.

Event will be in-person and on Zoom. Register for webinar here: <https://bit.ly/3gTv4T4>
